I haven't been getting enough sleep lately It's making it harder to study for exams

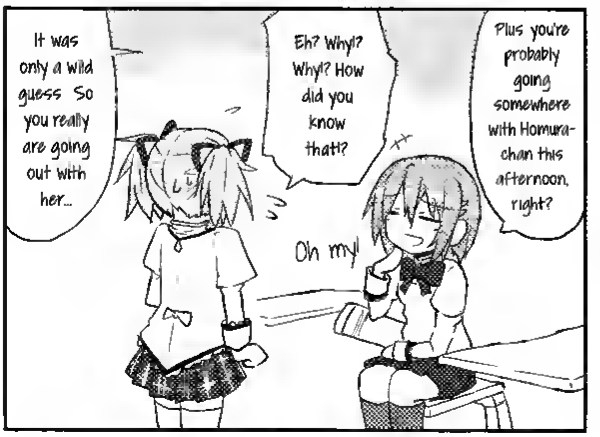
Eh...?
Extra classes?

Hmm.. I could wait until you're done..

But that doesn't mean I need to take them on the day of the closing ceremony right?
Yup and I'm the only one who needs them. I failed three subjects.
You failed three different subjects!? That's a big deal!

I brought a lunch with me
No, I'd feel bad if I made you wait
You can go on home. I think this is going to take longer than an hour

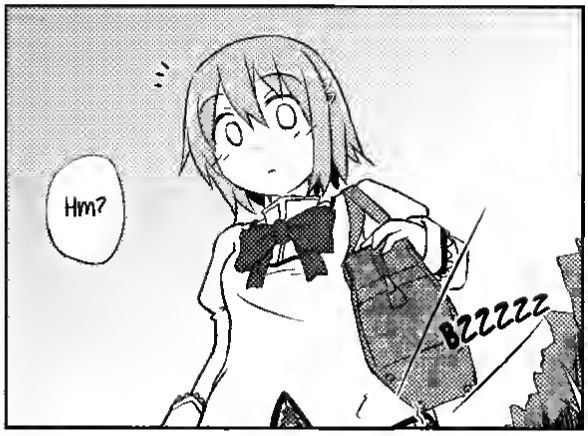
No, it's just..
every single thing I thought would be on the test didn't show up

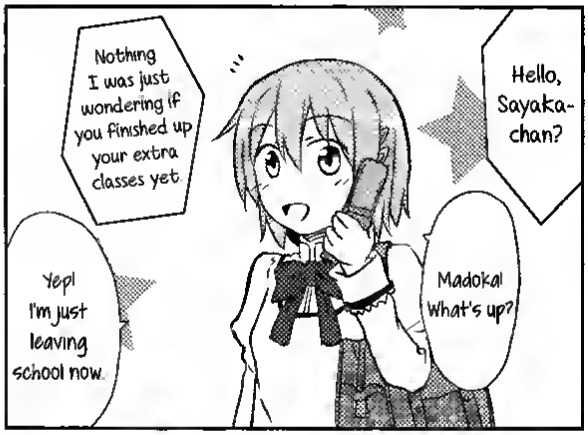


It was only a wild guess So you really are going out with her...
Eh? Why!? Why!? How did you know that!?
Oh my!
Plus you're probably going somewhere with Homura-chan this afternoon, right?

No this doesn't always happen.
Don't look at me like I'm an idiot!
... You mean that's not your true ability?

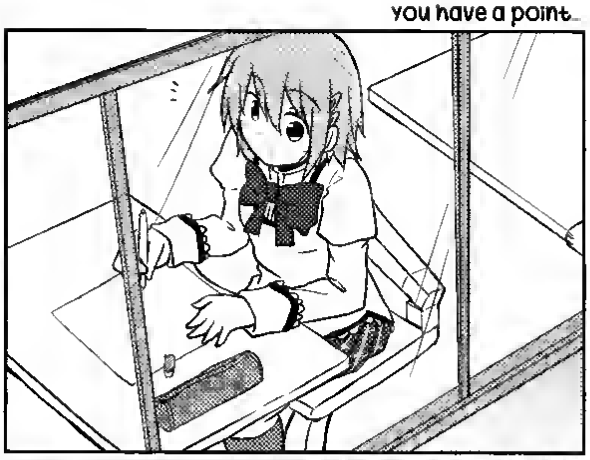
A suspicious phone call

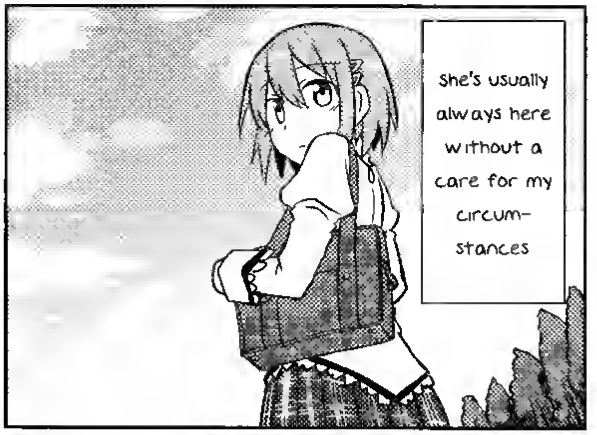




Nothing I was just wondering if you finished up your extra classes yet
Hello, Sayaka-chan?
Yep! I'm just leaving school now.
Madoka! What's up?

you have a point





She's usually always here without a care for my circum-stances

... She hung up.
What was that?

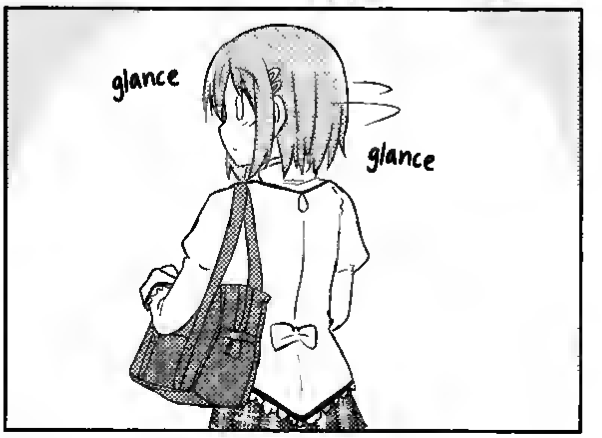
At times like this
I'd like you to be with me like you belong there

...
SHUT

... You dummy

It's been a long time since I went home by myself
...

'Sup?



glance
glance

Huh? No one told you?
What were you doing here?
You sure did come out of nowhere, by the way
S-Sorry I did it on reflex
That hurt you know! What's wrong with you?
!
I bumped into Madoka and Homura earlier
Just make a normal appearance
This is your fault for surprising me to begin with
Don't hit people for surprising you
I see
And she gave you a call
Madoka said you had to stay behind
Oh, shut up! I had something on my mind
You'll fall on your face
And you're not being careful enough. Watch where you're going
This is what she was talking about
?
"Good luck"...
?
Hm? What would that be?
I-It's nothing!!

A grateful mood

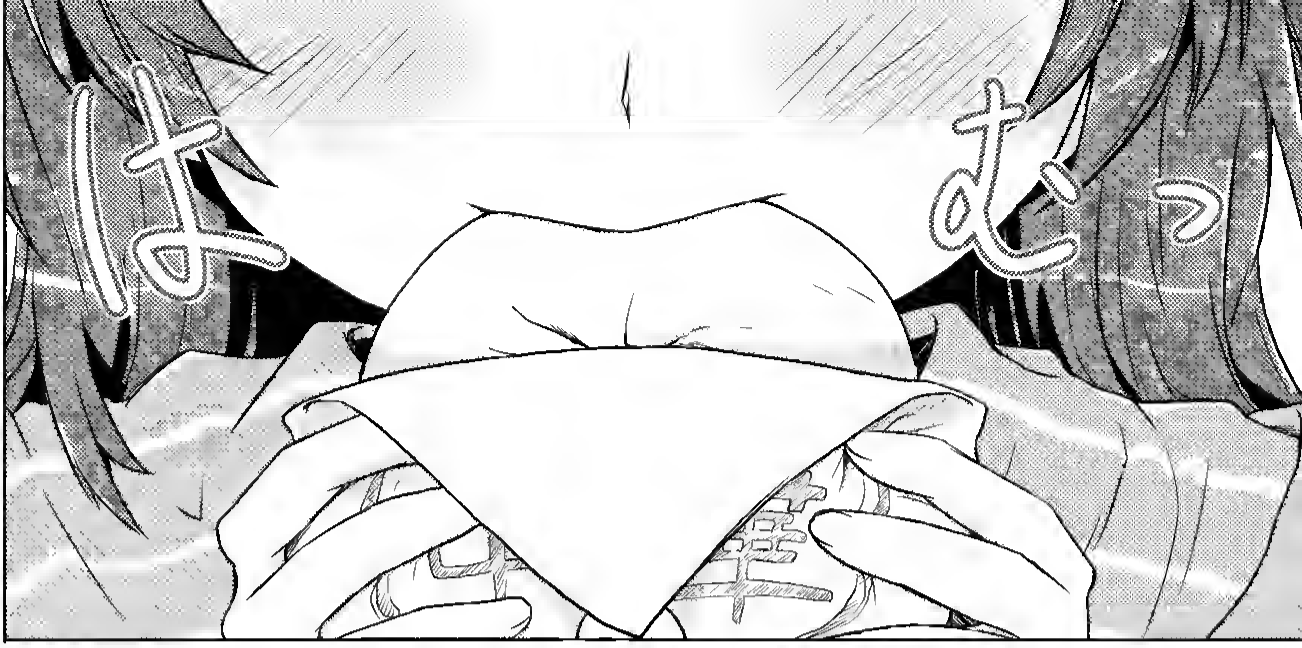
I wasn't really feeling lonely
And I came here because I was concerned if you were lonely!
Hmph!
No appreciation!
What's with you?

Just follow me!
I don't get it
I feel like having one!
Hm? Where did that come from?
Come on, let's stop by the convenience store. I'll buy you a meat bun.

A Stinging attack

...
I said it purposefully to be stabbing.
Whoa. I sense some serious thorns in that statement
It happened this time because a certain somebody stayed at my house until late at night and caused me to lose sleep

Nope! You only get up to 120 yen!
Excuuuuse me! I'll take your biggest special jumbo meat bun!



はむっ

It's almost amazing how much it looks like you enjoy eating that.
I never get tired of watching you.

DELICIOUS!

I like all of them, so what? .. I'm surprised you remember all that.

You said the same exact thing when we went out for ramen, and then again when we had hamburgers.
Meat buns are my favorite!

I wouldn't forget that I want to remember everything that you say you like.
...!
...gahh!!
COUGH
COUGH
Jeez, what's going on with you?
Good grief, calm down and eat slowly
COUGH
Idi-... That's not it!
COUGH
Here!
I have coffee
COUGH
You did that on purpose
ゴォーン…
Black...
I can't drink anything without sugar in it
I'm aware but that's all they had.
And besides, there is some sugar in it
But you have café au lait
Ah sorry this was the only one
...

This sure was a long year. A lot happened.
Around this time is when it hits me that this year is coming to a close.
It gets dark fast now We're in December already
ゴォーーン
Huh? It's only 5pm? It's pitch black out so I thought it was much later
Look, look! It's snowing.
You're right...
Yeah, it was pretty long, actually, because of all that stuff Homura was doing.
Ahaha, yeah, I guess so.
ひら…
Ah...

That's right, the weather forecast did say there was a chance of either rain or snow
Hmm...
I'm glad it's snow. This much shouldn't make you get wet
ACHOO-!
Hm?
Ah, no. I might have a cold.
SNIFFLE
Maybe I should run home and grab a coat.
Oh?
Oh?
What, are you cold?
Huh? Eh?
What's this?
Just answer me!
Come on, are you cold!?
?
Well, uh, yeah? It's snowing, after all
Okay, then!
Hehehe!

Here you go!
... What's this?
It's not your usual sweets
Hm? What do you mean? It's your Christmas present, of course!
Huh!?
It's way too early to give me this!!
It's the day of the closing ceremony!
What's the big deal if it's two or three days early?
It already feels like Christmas all over town
It's snowing too, it's a great mood, don't you think?
... That's a real sketchy explanation
There's more to it than the mood.
ガサ

PROUD
It's warm. Probably
You always look like you're freezing cold, Sayaka.
Is this a scarf?
...
What's this?
What? You don't like it?
y-you're wrong!
Ahaha!
You admitted it!?
Yeah, I did?
?
Eh!?
Ah, don't tell me you made this yourself?
Hm?
That's not it at all.
She put my name on it
SAYAKA

But it was difficult, and they were super tight.
Oh yeah?
To tell the truth, I was going to make you gloves
I'm honestly impressed.
Whooa. seriously? I'm surprised you had the skill to do this
Oh, really?
WAAHHH—!
struggle
struggle
Damn... I'm not going to finish these in time!!
Ahhh damn it!
Huh..? I can't get my fingers in these.
Hey! What was that just now?
You totally laughed at me, I know it!
Ahahaha! It's nothing!
.....
Huh!?
Pff!

Hehe
It's warm
Thank you.
I'll treasure it.
.....
Yeah...
Badump
Oh, that's right!
I guess it doesn't really matter if it's not exactly that time yet, so I'll go ahead and give you this
?
Merry Christmas, three days early
Here!

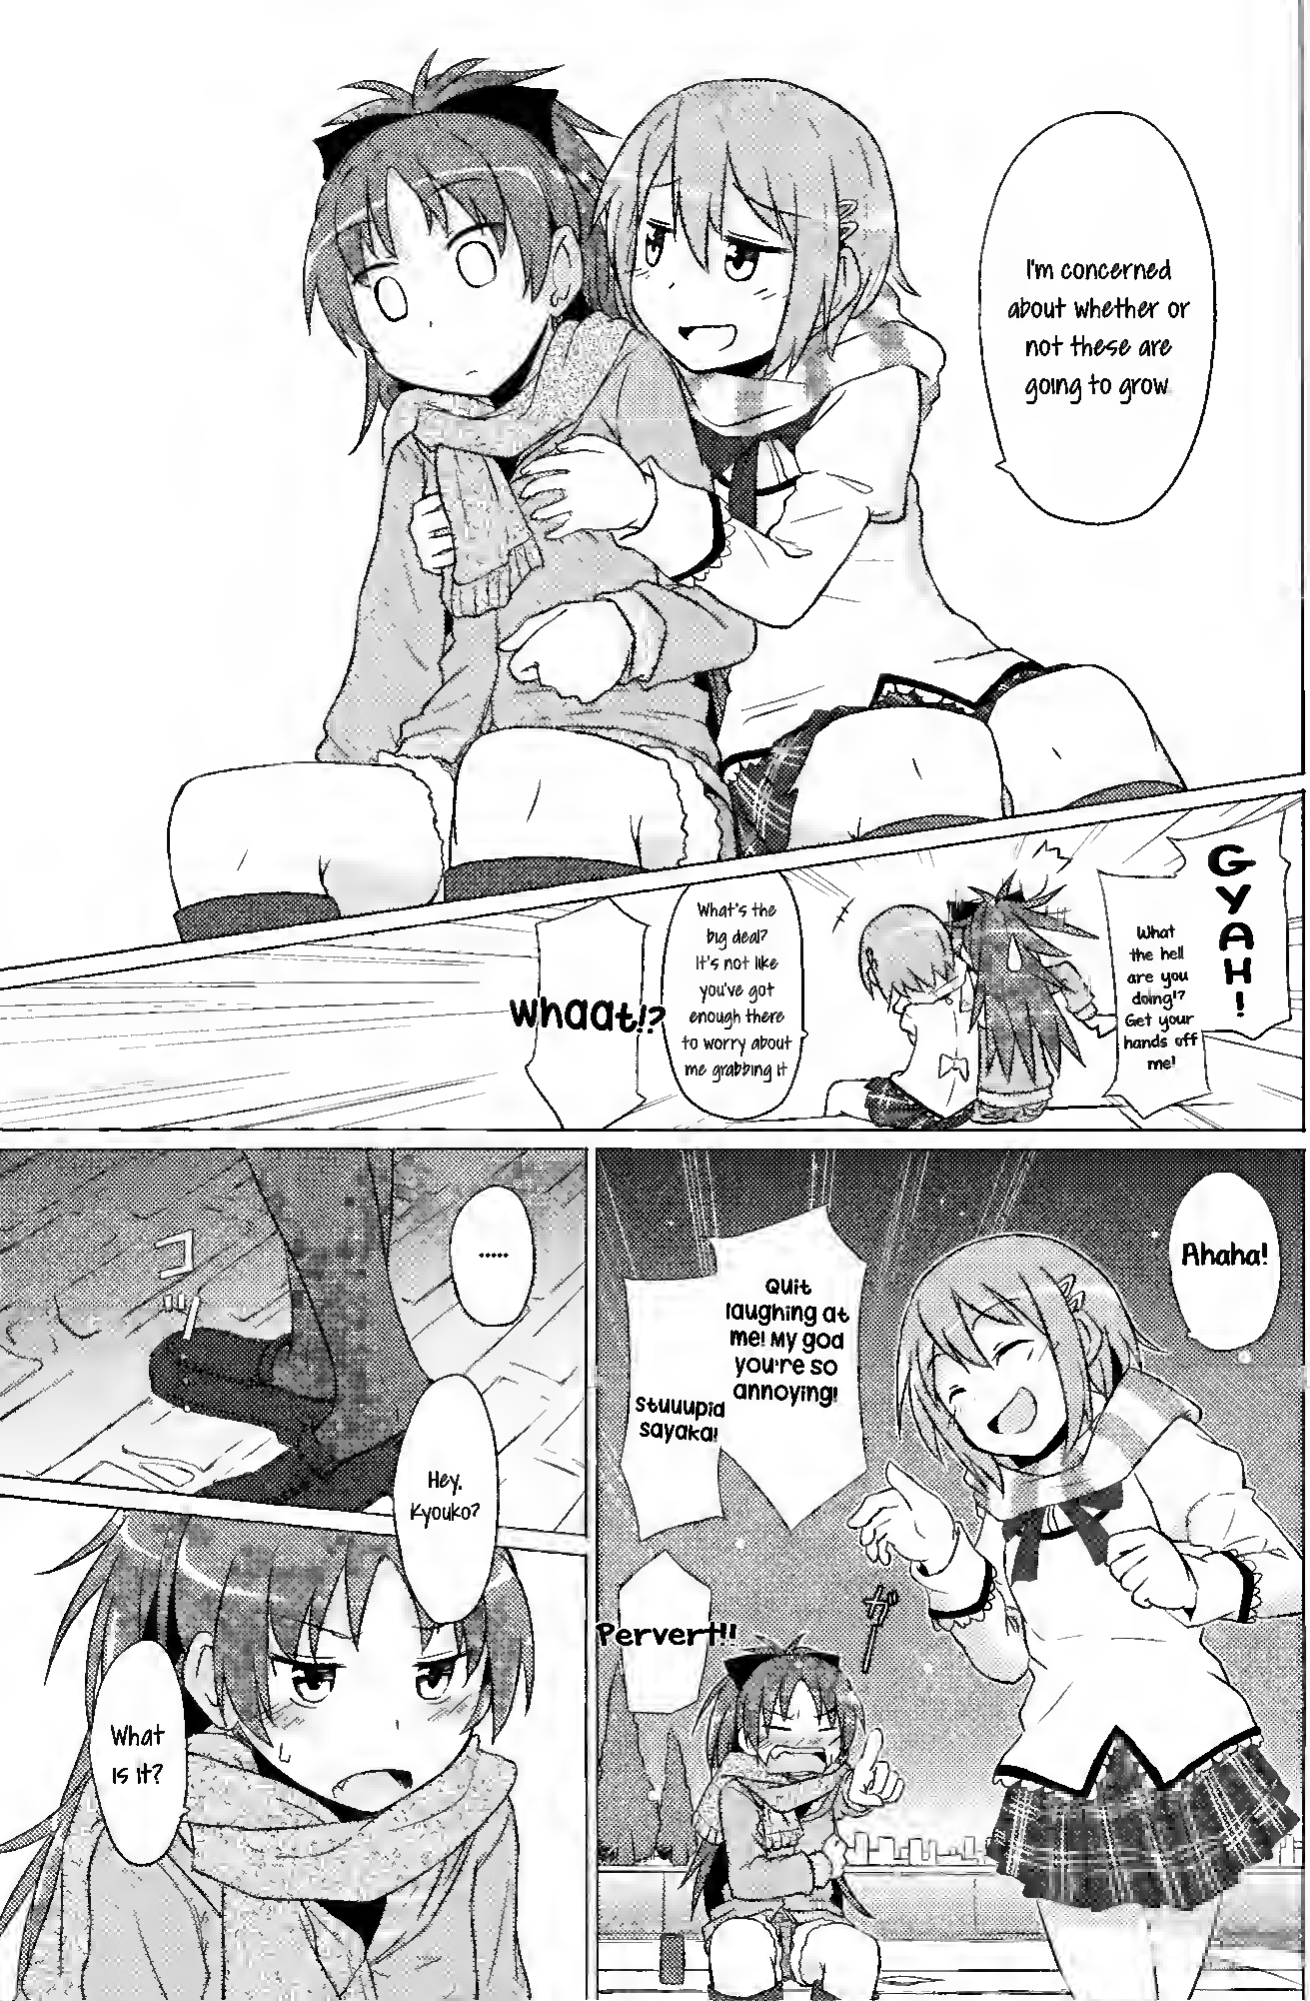
Smile
Whoa...!! Really!?
Thanks! Can I open it?
Sure, go ahead.
?
Hm
... Hm?
Uhhm... By any chance, could this long thing be a...?
It's because you're always dressed up in that cold looking outfit.
It's warm Probably
...
...

Hehe!
Ahahaha!
Ahaha, this is weird.
All we did is exchange scarves
...
We both thought the same thing
I wonder if...
time couldn't stand still with us just like this
Hm?
!?
Huh?
What was that cute line?
Did I mishear?
.....
Um...

I'm so happy right now it's almost scary.
Well...
It's just...
Would we be able to be together like this next year... or the year after that...?
But even so...
Nobody knows.

So...
... that's why I said that..
Ahh... so that's what she meant.
She's been through a lot.
... I guess it's not surprising for her to wonder that.
Plus...
I know how I am
After I connect with people
I'm quick
to separate myself from them
Maybe if that's true
even if I did leave them behind
I still have no intentions of leaving you so easily

Hmm
Okay now what to do?
.....
Hm? What's with you?
Oh man, am I really that awful?
Eh?
I'm due for some great luck next year My grades might go up and up!
And I might hit on that lottery ticket I picked up recently!
Huh?
?
Who are you talking about?
And not to mention



I'm concerned about whether or not these are going to grow
GYAH!
What the hell are you doing!? Get your hands off me!
Whaat!?
What's the big deal? It's not like you've got enough there to worry about me grabbing it
Ahaha!
Quit laughing at me! My god you're so annoying! Stuuupid sayaka!
Pervert!!
.....
Hey, Kyouko?
What is it?

Next year... I'll be looking forward to getting those gloves.
.....
...
...!

.....
...I got it.
You can count on them!
Good!

Oh yeah!
I won't be buying gloves this year
It would be a waste
?
When I get cold I'll have you hold my hands to warm me up!
Just Kidding!
HUH!?
Hm, you don't want to? That's too bad..
Sniff Sniff Sob
I-I never said I didn't want to!
come on! Give me your hands! You're cold, right? Give me your hands right now! I'll hold them!
Ah, hey, idiot! Stop struggling!
Hey! Your coffee is spilling! Your coffee!
UAA HHH!?

Happy new year_

Afterword

Thank you for reading. Did you enjoy it?
This is the first time I have made doujinshi for the same series as I have before. I'll continue on drawing KyoSaya.

I was going for a more light hearted story this time around, but Kyouko-chan suddenly went off into serious mode on her own. And then it turned into this. Sayaka gives Kyouko a present of optimism, as she can't be sure that her happiness will last ion the long term.

My usual long afterword got cut down due to limits on page numbers. With that said, I'll give out my thanks.
To all those who support me relentlessly, thank you very much. This year is about to come to a close, but I plan on working very hard in the coming year, so I hope you'll support me. I hope we can meet again soon.
